

SELIA@GIS Day 2012

To enhance our support with Government agency and create more awareness on the Company, SELIA Group through SELIA Engineering Sdn Bhd took part in the GEOSPATIAL INFORMATION SYSTEM (GIS) DAY 2012 held at Paya Indah Wetland, Dengkil Selangor on 3rd November 2012.

The objective of GIS Day 2012 is to give an early exposure especially to public on geography and technology related to geospatial field in daily life.

The event was officially launched by YBhg. Dr Abdul Rahim Nik, Deputy Secretary General II Ministry of Natural Resources and Environment (NRE).
