SELIA Group treated its business partners and associates to a Hari Raya Open House on 13 September 2012 at KLGCC Kuala Lumpur. This special occasion gives SELIA a great opportunity to get-together to celebrate Hari Raya and at the same time allow us to show our appreciation to our business partners for their constant support given to SELIA Group.

The open house was attended by more than 500 invited guests and they were treated to a sumptuous variety of authentic Hari Raya delicacies and Raya songs entertainment. Also present were YBhg Datuk Mohamed Zaini Amran and members of Board of Director.
